FOR SALE-REAL ESTATE

THE LOGICAL THING TO DO

WITH MONEY
IS TO INVEST IT.

The question of how to place it. I claim, and it is the judgment of the most level-headed men in this community that there is no safer or more attractive proposition than Salt Lake realty.

But it is most important that you buy "right," Here is where my experience and judgment is valuable.

Among the properties I now have list-

right. Here is where my experience and judgment is valuable. Among the properties I now have listed are:

A dandy little lot near 5th South and lat West, 35x4 rods, for \$500.

Another good lot, 60x804 ft., near 7th South and 4th West, for \$600.

Near 9th South and 2nd West, about 70x150 ft., with 4-room frame, in good condition, for \$1400, \$400 cash, balance on time.

The same locality, another 4-rm, frame; lot is smaller, but house has bath, electric lights, etc., harn. Price \$1500, \$500 cash, bal, easy terms.

Corner 6th ave. and I st., a good and substantial 5-room, modern, brick cettinge. Corner faces south and east, and is a splendid buy at \$3350, and can make reasonable terms.

Con 9th East, good 5-room, modern,

ensonable terms, On 9th East, good 5-room, modern, rick cottage, large lot; nice shade and

is a splendid buy at \$3350, and can make reasonable terms.

On 9th East, good 5-room, modern, brick cottage, large lot; nice shade and fruit; for \$5250.

Look at 70 P st. It's an \$-room, modern, but needs repairing. The price, only \$1000. If put in shape will rent for \$500 per month.

On P near 2nd ave., on a lot 2\$x7\$ to alley in rear, facing east; the choicest 5-room, modern, brick cottage which can be had in that part of the city. The house is about 4 years old, but was not built for sale and is in first-class condition. Sidewalk and sewer paid and connected with sewer, good furnace and large fruit cellar. Nice iron fence in front. Rooms in this cottage are nearly twice the size than in cottages built for sale, and the price, only \$4500; half cash, bal. 7 per cent.

Another elegant piece of property is a 7-room, modern house on F st., near 4th ave. It's near clean and well kept, and, including furnace, has all modern improvements. The lot is not very large, but large enough for household use. The price, only \$5250, and if you have the cash to buy it, might reduce it a little.

The residence, No. 1215 2rd ave., must be sold, house is too large for present owner, and one of the best-built houses in the city; white brick, butted work, double fleors up and downstairs, laundry and all other conveniences, including Round Oak furnace, lot 3 room, south front, and the choicest location in Salt Lake. The price is \$\$500, and terms can be arranged. If you had to buy the lot and build the house you could not place it there for \$10,000. I am certain of this because I built it.

Again, I want to call your attention to the fact that the above are but a small number of the good, desirable buys listed with me. It you are in the market for a home, building lot or anything in the real estate line, including good fire insurance, come and see me.

SPECIAL FOR TEN DAYS ONLY.
TAKE NOTICE.
READ CAREFULLY.
